

DIAMOND PROFESSIONAL

Wash N Shine

Technical Bulletin - DP513

Features:

- ◆ High Foaming Car Wash Concentrate
- ◆ Highly Concentrated
- ◆ Leaves High Gloss Surface Protectant
- ◆ Pleasant Citrus Scent
- ◆ Economical For Shop Use

Product Description:

Diamond Professional Wash N Shine is a high viscosity, concentrated car wash protectant.

Product Benefits:

Wash N Shine is a high sudsing car wash that removes stubborn contaminants while leaving a surface protectant that produces a unique high gloss shine.

Directions:

Vehicle surface should be cool. Washing should be done in the shade. Always avoid direct sun. Add 2 capfuls (1 ounce) Wash N Shine to gallon of water. Wet vehicle, then wash with wash pad, soft cloth or microfiber towel. Wash vehicle one section at a time, rinsing product off prior to next section. Once washing is complete, dry with chamois and then final dry with a cotton or microfiber towel for best results.

Packaging:

Gallons
