

## Diamond Clean Super Degreaser

### Technical Bulletin - DP210

#### Features:

- ◆ Cuts Through Tough Oil, Grease and Related Build-up on Engine, Undercarriage and Hydraulic Equipment
- ◆ Safe for All Plastic and Rubber Surfaces
- ◆ Biodegradable
- ◆ Free-Rinsing
- ◆ Highly Concentrated
- ◆ Non-Butyl

#### Product Description:

Diamond Clean Super Degreaser is an aggressive, concentrated degreaser cleaner designed to cut through heavy grease, grime, dirt and oil. This product is ideally suited for engine and driveline found on vehicles and equipment where heavy cleaning is required.

#### Product Benefits:

Diamond Clean Super Degreaser breaks down grease and oil accumulations and easily cuts through even the toughest engine grease. It is great for underbody cleaning and degreasing as well. This degreaser is safe for plastic and rubber surfaces and rinses free with a high pressure hose or pressure washer.

#### Directions:

Dilute Diamond Clean Super Degreaser 4:1. Apply to surface with a quality detail trigger sprayer or pressure tank. If necessary, agitate with brush. Rinse with pressure hose.

#### Packaging:

Gallons  
Quarts  
5 Gallons  
Drums
