

# DIAMOND PROFESSIONAL

## Professional APC Plus

### Technical Bulletin - DP211

#### Features:

- ◆ Biodegradable
- ◆ Non-Caustic, Non-Butyl
- ◆ Excellent Foaming
- ◆ Pleasant Scent
- ◆ Safe for Paint (when diluted properly)

#### Product Description:

Professional APC Plus (All Purpose Cleaner) is a thin, pink, biodegradable liquid that is non-caustic, non-butyl and works in numerous applications. Gentle and effective when diluted correctly. Safe for use on paint, cloth and nearly all automotive substrates.

#### Product Benefits:

Professional APC Plus will clean upholstery, carpets and interior vinyl/leather panels. Professional APC Plus is an effective engine, tire and white wall cleaner as well as an excellent de-waxing agent. See dilution recommendations below for safe and consistent desired results.

#### Dilution Recommendations:

- ◆ Rubber and Tire Surfaces Including White Walls 4:1
- ◆ Vinyl Cleaning 9:1
- ◆ Carpet Cleaning 12:1
- ◆ Cloth & Upholstery 20:1
- ◆ Light Cleaning 40:1
- ◆ Wax Removal 60:1

#### Packaging:

Quarts  
Gallons  
5 Gallons  
Drums
