

DIAMOND PROFESSIONAL

Diamond S Dressing

Technical Bulletin DP-245

Features:

- ◆ Silicone-Based
- ◆ Uniform High Gloss Appearance
- ◆ Protects All Vinyl and Rubber Surfaces
- ◆ Long-Lasting

Product Description:

Diamond S Dressing is a blue, long-lasting, silicone dressing that produces an even, high gloss appearance.

Product Benefits:

Diamond S Dressing is safe for use on vinyl, rubber, hard and soft plastic trim panels for both interior and exterior surfaces. It helps protect and restore original pliability to all vinyl and rubber surfaces, and leaves a long lasting, just-detailed appearance.

Directions:

Spray or wipe on to achieve desired look. Do NOT use on leather. Use caution on painted plastic interior panels as solvent based dressings can soften or damage some OEM interior painted surfaces.

Tip: When using in a silicone sensitive environment, do not spray, instead, use a mustard style squeeze bottle to dispense.

Packaging:

Quarts
Gallons
Drums
