

Diamond W Dressing

Technical Bulletin - DP246

Features:

- ◆ Helps Restore and Protect
- ◆ High/Medium Gloss Interior/Exterior Appearance
- ◆ Silicone-Based

Product Description:

Diamond W Dressing is a medium to high gloss interior/exterior dressing. This biodegradable water-based dressing restores and protects rubber, vinyl and leather surfaces.

Product Benefits:

Diamond W Dressing is a great overall dressing. It gives superior long-lasting performance for both interior and exterior surfaces and protects and restores all rubber, leather and vinyl surfaces, while leaving a durable lasting shine. Water-based formulation meets all VOC requirements.

Directions:

Ready to use for high gloss application. Dilute up to 1:1 for lower gloss application. Spray or wipe on.

Tip:

For heavily soiled surfaces, pre-clean with Professional APC Plus (Part No. DP211)

Packaging:

Quarts
Gallons
5 Gallons
Drums
